Newsletter

33-39 Knightsbridge

This newsletter is being distributed to residents and businesses in the local area to advise of the commencement of demolition works at the above address and to provide an overview of the planned operations.

Further newsletters will follow to advise of progress and to highlight any particular aspects affecting the wider community.

Our key objectives are:

- To operate in a safe and considerate manner
- To minimise the environmental impact on our neighbours
- To complete the works as quickly and efficiently as possible
- Communicate with interested parties and maintain good neighbourly relations

We trust that this newsletter will go some way to informing you of the scheme ahead and we will do all that we can to keep disruption to a minimum.
